- Part-time at Batikano Park

PROJECTS

Abril 2024 - Agosto 2024

A-Mover Mobilizing Agenda

- I joined this project after applying for a research grant at the university. During my time in this project, I developed reports, literature reviews to support scientific research, and "mockups" of a possible graphical interface for the front-end of an application to be used on an electric motorcycle.
- This project aims to promote more sustainable mobility in the Trás-os-Montes e Alto Douro region.

EXTRACURRICULAR ACTIVITIES

2013 - 2020

Handball

- Participated in the Penafiel Handball Club, competing in the 1st national junior division.

2013-2015

Scouts

- Engaged in various activities, including volunteering with the 557 Penafiel Scout Group.

2016-2019

Drama Club

- Participation in several theater plays during my secondary education

November 2023

1º UTAD “Code and Conquer” Hackathon / Code Masters 2023

- Took part in the 1st Edition of the "Code and Conquer" Hackathon / Code Masters 2023 organized by the University of Trás-os-Montes e Alto Douro.

AWARDS

Most Elegant Code

- Received the "Most Elegant Code" award at the 1st edition of the UTAD “Code and Conquer” Hackathon / Code Masters 2023, awarded by the event's judges.

INTERESTS
